## CHALET HIMALAYA, VAL D'ISERE France

### For up to 8 (\*10) guests in 4 suites SWIM IN/ SWIM OUT – SKI IN/ SKI OUT

Discreet, luxurious, exclusive and appreciated by the most discerning of clients since 2008.

We offer luxury with versatility.

The magnificent chalet Himalaya was converted from a 17th Century French Monastery.

This historic building in Val d'Isere underwent a 3 year multi million pound renovation which was completed in 2007. Since then it has continued to be lovingly maintained and improved on a year to year basis. Many original features still remain, including the impressive 1.5 meter thick stone walls and fireplace.

The chalet now offers 4 suites, 2 of which are dual-level and allow the option of adding an extra bed on the lower level for an additional charge\*.

Our guests will have every need and desire catered to by our dedicated staff from chef to chauffeur, host to beauty therapist.

Each en suite double bedroom has a giant hand-carved marble bath which transforms into a hammam (steam room) enclosed by glass walls. Chalet Himalaya has its own concealed pool which appears at the touch of a button with dual functionality of indoor/ outdoor swimming and jacuzzi jets.

With sauna, spa therapy room, ski room, private wine cellar and cigar room, the chalet is the ultimate luxury winter haven.
